

HARMONY GOLF PRESERVE SEEKING “SIGNATURE DISH” FROM HIGH SCHOOL STUDENTS

HARMONY, FL - January 5, 2007 - Harmony Golf Preserve's new chef, Joe Mullins, is seeking "Signature Dish" recipes for the newly redesigned menu to be offered at *Greenside's Restaurant* and the 19th Hole Restaurant. Although this is not an unconventional move for a new chef at any quality dining facility, Chef Mullins has added a wonderful twist.

Harmony High School students have the opportunity to share their favorite recipes and win exciting prizes and accolades from the community. Winning recipes, that will become signature dishes on the new menus, will also receive a choice of a \$1,000 gift card to *Greenside's Restaurant*, or a free one year annual membership to the Harmony Golf Preserve, or a series of 10 one-hour golf lessons with the professional staff at the Golf Preserve.

"Creativity is the key," said Chef Mullins. To qualify, the submissions must not be included on any past or present menu and is only open to Harmony High School students. Parents must submit the recipe for the student on-line at www.harmonygolfpreserve.com, click on *Greenside's Restaurant* and then click on HHS Signature Dish Contest.

The Harmony Golf Preserve is located at 7251 Five Oaks Drive in Harmony, Florida. Telephone: Golf Pro Shop at 407-891-8525 or Restaurant at 407-891-2630. Visit the website at www.harmonygolfpreserve.com.
