

Frequently Asked Questions about Harmony Golf Preserve

Why is it called a "golf preserve" and not simply a "golf course"?

The designation as a "preserve" rather than a "course" reflects a truly different approach to golf course design – one that seeks to preserve the treasure of Harmony's 11,000+ acres of broad meadows, towering stands of southern pines and two shimmering 500-acre natural lakes. To this end, the golf course is wrapped around existing wetlands, and no homes will be built that front on the golf course.

How long is the course?

7,428 yards from professional tees.

How many tees are there, what's the yardage, and USGA. course and slope ratings?

Five sets of tees for players of all abilities:

- Black tees are 7,428 yards, with a course rating of 76.1 and a slope rating of 138
- Blue tees are 6,955 yards, with a course rating of 73.8 and slope rating of 130
- White tees are 6,394 yards, with a course rating of 71.3 and slope rating of 126
